WELCOME TO Santa Barbara

Red Tile Walking Tour HISTORIC LANDMARKS

Start at the **17 Santa Barbara County Courthouse**, a Spanish-Moorish architectural masterpiece with an 80 foot clock tower.

Cross Anacapa Street to the elegant Spanish-style **18 Public Library**. Go west on Anapamu Street to **19 Santa Barbara Museum of Art** and the charming **La Arcada Plaza**, with bronze statuary informational plaques on the buildings. Then head down State Street.

At Carrillo Street, turn left to the **20 Hill-Carrillo Adobe** which has the city's first wooden floor inside. Walk back out to State Street, go south two blocks and enter the quaint **21 El Paseo** complex through the mid-block arcade.

Continue through El Paseo to De la Guerra Street, and enter the charming courtyard of **22 Casa De la Guerra**. Casa De la Guerra was constructed by the fifth Presidio commandant, Jose de la Guerra, who was among Santa Barbara's wealthiest and most influential citizens.

Cross the street to see **23 Plaza De la Guerra**, where the first city council met in 1850. Next to it stands both City Hall. Cross back and continue on De la Guerra Street toward Anacapa Street to the **24 Orena Adobes**, formerly owned by some of early Santa Barbara's wealthy families.

Cross Anacapa Street to **25 Presidio Avenue** - the oldest street in Santa Barbara. See the plaque commemorating the **Guard's House** at the corner of Presidio Avenue and De la Guerra Street. Now go into the Presidio

Gardens on the site of the Presidio parade grounds.

Leave as you came, and cross De la Guerra Street to the **Santiago de la Guerra Adobe**, one of the city's oldest structures, and right next door, the **28 Lugo Adobe**, nestled in a picturesque courtyard.

Continue to the corner of De la Guerra and Santa Barbara streets to visit the **27 Santa Barbara Historical Museum**, where you will find **28 Casa Covarrubias**, and the adjoining **Historic Adobe**. Head around the corner and up Santa Barbara Street on the right to the **29 Rochin Adobe**, built with some of the bricks salvaged from the Presidio walls.

Just ahead, at the corner of Santa Barbara Street, and enter the charming courtyard of **30 El Presidio de Santa Barbara State Historic Park**. Turn left on Canon Perdido Street and take note of the reconstructed **Presidio Chapel** and **Canedo Adobe**. On the other side of Canon Perdido Street, is **31 El Cuartel**, the family residence of the soldier assigned to guard the western Presidio gate.

At the corner of Anacapa Street, you'll find the Spanish-deco-style **32 Main Post Office**. Diagonally across Anacapa Street is the **33 Lobero Theatre**. Proceed up Anacapa Street and end your memorable tour back at the Courthouse.

This pleasant downtown walk will introduce you to Santa Barbara's most interesting historic landmarks in approximately 12 blocks.
